

MEMORANDUM OF PARTNERSHIP
Between the
International Association of Emergency Managers
and the
International Association of Broadcast Meteorology

WHEREAS, the International Association of Emergency Managers (IAEM) and the International Association of Broadcast Meteorology (IABM) are composed of officials and professionals that deal firsthand with the demands of preparing for and managing the response to disasters that affect communities nationwide; and

WHEREAS, IAEM has stated its vision as *"that IAEM be recognized as the premier international organization of emergency management professionals."*

WHEREAS, IABM is *"the professional association representing the world's broadcast meteorology community."*

WHEREAS, to accomplish this purpose, IABM supports the sharing of information and the enhancement of emergency management efforts at every level and the continued participation of all agencies and departments involved in emergency management; and

WHEREAS, these two organizations recognize the need for increased emphasis on coordination of all aspects of emergency management worldwide;

NOW, THEREFORE, BE IT RESOLVED that IAEM and IABM do hereby agree to develop a working relationship; and

FURTHER, BE IT RESOLVED that the intent of the Memorandum of Partnership is to symbolize our cooperation to enhance public safety and emergency management at all levels of government to include communications and coordination with organizations throughout the world.

Neither IAEM's nor IABM's name shall not be affiliated with any public policy positions without prior written approval. This partnership is cancellable within 30 days written notice by either party.

Signed this 25 day of February, 2020.
